PROFILE

Goal oriented with experience as a Cabin Attendant at Japan Airlines, skilled in communication, teamwork, and time management. Excelling at navigating cultural nuances, I foster positive interactions with passengers and colleagues from diverse backgrounds, ensuring seamless collaboration and performance under high-pressure situations.

Self-taught in programming and project management, I bring exceptional organizational skills, adaptability, and a proactive problem-solving approach. I am eager to leverage my cross-cultural experience and strategic thinking to achieve successful outcomes in a project management role.

WORK EXPERIENCE

Japan Airlines Co., Ltd.

2017 - PRESENT
